ADMISSIONS GUIDE
2018-2019 www.sgs.utoronto.ca

UNIVERSITY OF TORONTO
SCHOOL OF GRADUATE STUDIES

OVER
16,400 GRADUATE STUDENTS
700 STUDENT CLUBS ACROSS
 ALL 3 CAMPUSES
 OVER **4,500** WORLD-CLASS GRADUATE FACULTY MEMBERS

WELCOME TO U OF T

Where else can you choose from over 280 graduate research and professional programs, and collaborative specializations (www.sgs.utoronto.ca/programs), collaborate with top scholars and faculty across disciplines, join a network of distinguished alumni, and live in the most multicultural city in the world? Only at U of T.

Our three campuses house unparalleled research and education facilities as well as outstanding libraries. The historic St. George campus in downtown Toronto is an intellectual oasis in the core of Canada's largest city, while graduate programs are growing rapidly at U of T Mississauga's state-of-the-art campus and U of T Scarborough's world-renowned research hub.

Our world-class graduate students are studying and working with the most productive research faculty in Canada. Their research is recognized internationally and published in leading journals; they also lead the nation in winning external research grants.

Learn firsthand from some of the world's top researchers, scholars, and professionals as they work to solve the most urgent questions of the 21st century. Under their guidance, you'll develop the skills and reputation you need to launch into a lifelong path of intellectual discovery and professional success.

DISTINGUISHED ALUMNI

From artists to astronauts, crusaders to storytellers, financiers to innovative entrepreneurs, and champions of causes to Olympic champions — as a U of T graduate, you become part of a wide network of esteemed alumni.

COLLABORATIVE SPECIALIZATIONS

Unique to U of T, collaborative specializations involve the cooperation of two or more graduate units (departments, centres, or institutes) and allow you to explore a novel aspect or a special development in a particular discipline to complement your degree studies. You must be enrolled in a graduate degree program in order to participate. <https://sgs.calendar.utoronto.ca/graduate-programs-at-a-glance>

OTHER WAYS TO STUDY AT U OF T

Non-degree Study

If you are changing disciplines or require preparatory work, consider becoming a non-degree special student. www.sgs.utoronto.ca/nondegree

Joint Educational Placement

Joint Educational Placement (JEP) students can pursue a full-time doctoral degree program under the joint supervision of faculty from U of T and a collaborating Canadian or international university who share common research interests. www.sgs.utoronto.ca/jep

International Visiting Graduate Student (IVGS) Study Abroad Program

U of T encourages qualified graduate students from international universities to undertake short-term research visits to the University to foster the exchange of ideas, receive specialized training, and participate in research collaborations. www.sgs.utoronto.ca/IVGS

Exchange Students

We welcome graduate students who are already registered at another university and would like to study at U of T for a session or full academic year. www.studentlife.utoronto.ca/cie/inbound-exchange

“ MY COLLEAGUES AT U OF T ARE TALENTED RESEARCHERS AND TREASURED CONFIDANTS. ”

TARA GRALNICK, COUNSELLING AND CLINICAL PSYCHOLOGY, PhD STUDENT, FROM MONTREAL, QC, CANADA

“LIFE IN TORONTO IS SIMPLY INCREDIBLE. THERE’S ALWAYS SOME PLACE NEW TO DISCOVER, AND TORONTO IS TRULY UNIQUE AMONG LARGE NORTH AMERICAN CITIES.”

DAVID HARARY, SUSTAINABILITY MANAGEMENT, MScSM, ALUMNUS,
FROM HOLLISTON, MA, USA

LOOKING TO YOUR FUTURE

You will have access to countless academic, professional, and social opportunities. We have created the innovative Graduate Professional Skills (GPS) program to help you build essential skills to complement what you learn in the classroom, lab, or library. GPS's wide range of optional courses and workshops will help you grow personally and professionally. From the Graduate Centre for Academic Communication (GCAC) to management and leadership training, you will develop skills that will last a lifetime.

HOW TO APPLY

1 Search our wide selection of innovative, cross-disciplinary programs

Explore our programs at www.sgs.utoronto.ca/programs. Chances are, we've got what you're looking for.

2 Learn about admission requirements

Confirm your program's admission requirements by consulting the SGS Calendar (<https://sgs.calendar.utoronto.ca/>). Visit your graduate unit's website to confirm application procedures and deadlines. Some requirements you should consider: prerequisite degrees and courses, minimum GPA, application deadlines, and confirmation of supervision.

3 Prepare your application

Some of the items you'll need to include are: statement of intent; transcripts (academic records); *curriculum vitae*; any program-specific requirements; official GRE/GMAT, TOEFL/IELTS, or equivalent test scores if required.

4 Apply

Set aside 30 to 60 minutes and start the process using our online application at apply.sgs.utoronto.ca.
