Disciplinary Focus Application, 2017-18 Cell & Molecular Biology Major or Specialist Program

Student Name:	UTORid:
Student Number:	Year of Study in 2017-18: 2 nd 3 rd 4 th
Focus (choose one):	Molecular Networks of the Cell
	Stem Cells and Developmental Biology
	Plant Genomics and Biotechnology
Please confirm enrolment ir	the Cell & Molecular Biology Major or Specialist
Please confirm that you ear	ned at least 80% in BIO130H1 and/or BIO230H1
If you are in 3rd year, please	e review the course requirements for the focus of interest <u>here</u> , and confirm that you

are positioned to complete them by the end of 4th year. Yes

Do you understand that participating in learning community meetings and activities is required for each year you are enrolled in the focus? Failure to do so will mean removal from the focus and reversion to your regular Cell & Molecular Biology program. Yes

What sparked your interest in the focus topic?

What was the most surprising thing you learned about cell and molecular biology this year?

What do you hope to achieve though participating in the focus and learning community?

Please email the complete form to the address for the focus you are applying to: Molecular Networks of the Cell: <u>molecular.network@utoronto.ca</u> Stem Cells and Developmental Biology: <u>multicellularity@utoronto.ca</u> Plant Genomics and Biotechnology: <u>plant.biotech@utoronto.ca</u>
