## PhD Transfer Examination Pre-Approval Form

Student name: \_\_\_\_\_

Student number: \_\_\_\_\_

Supervisor: \_\_\_\_\_

Tentative title of PhD Proposal:

Check one of the following:

- I intend to have a Transfer Examination by October 20<sup>th</sup>, 2021
- I intend to have a Transfer Examination between November 1<sup>st</sup>, 2021 and January 31<sup>st</sup>, 2022
- I intend to have a Transfer Examination between February 1<sup>st</sup> and April 15<sup>th</sup>, 2022

- Note that the timing of your transfer examination can have implications on the make-up of your funding package for the 2021-2022 academic year.
- Please submit names of the transfer examining committee to the CSB Graduate Office at least two weeks prior to your examination, along with the location of the public seminar and examination. The committee will consist of the supervisor (or co-supervisors), two other supervisory committee members, and at least one other SGS graduate faculty member (from CSB or another department at the University of Toronto). If one supervisory committee member is not available, another examiner from outside the supervisory committee can serve in his/her place. An examination Chair will be assigned by the Graduate Office.

Signatures:

\_\_\_\_\_  
Student Date

\_\_\_\_\_  
Supervisor Date

\* Remember to book a room for your seminar and examination, and notify the Graduate Office about the location as soon as it is confirmed. Examinations can be held at the Earth Sciences Centre, the Ramsay Wright Building, and at the UTM or UTSC campuses.
